In spring we sow, at the harvest mow And that is how the seasons round they go But of all the times choose I may To go ramblin' in the new mown hay

In winter when the sky is gray We hedge and ditch our time away, But in summer when the sun shines gay, We go ramblin' in the new mown hay.

[Chorus]

In autumn when the oak trees turn We gather all the wood that's fit to burn We cut and stash and stow away And go ramblin' in the new mown hay.
